Dear Colleague:

The University of Cincinnati Colleges of Engineering and Medicine have initiated a search for the position of Head of the Department of Biomedical Engineering. We are soliciting nominations of individuals who may be qualified for this position. The candidate filling this position will assume the leadership of a strong and growing BME Department. We have attached a description of the position for your information.

We seek an individual who is nationally and internationally recognized for his/her contributions to the field of Biomedical Engineering and who has a strong commitment to educational and research excellence. The candidate must also possess strong managerial skills and outstanding interpersonal skills.

We would appreciate your assistance in helping us to identify candidates for this exciting opportunity. Inquiries, applications and nominations should be sent to: Mari Niehaus at her e-mail address, marianne.niehaus@uc.edu.

Those seeking information about the position can contact the co-chair of the search committee:
