

GRADUATE ALUMNI QUESTIONNAIRE
DEPARTMENT OF CIVIL AND ENVIRONMENTAL ENGINEERING

(Return in the enclosed prepaid envelope)

Name _____ Home Telephone No. _____

Street Address _____

City _____ State _____ Zip _____

Present Employer _____ No. of Years _____

Job Title _____

Work Telephone No. _____ Work Fax No. _____

Company Address _____

E-mail Address _____

DEGREES EARNED

University	Degree	Major	Date

The information on the next pages will assist us in assessing the effectiveness and lasting impact of our Environmental Science program. Some information may be asked for in more than one question. This is to aid us in assimilating your responses.

**CIVIL/ENVIRONMENTAL ENGINEERING AND ENVIRONMENTAL SCIENCE
GRADUATE ALUMNI QUESTIONNAIRE**

CIRCLE THE LETTER THAT APPLIES

1. I currently hold the following degree(s):

- | | |
|-------------------|--------------------------|
| a) BSCE | e) Ph.D. in Env Eng. |
| b) MS in CE | f) MS in Env. Sci. |
| c) Ph.D. in CE | g) Ph.D. in Env. Sci |
| d) MS in Env Eng. | H) Other (specify) _____ |

2. Registration / License(s):

- a) Any registration/certification/license (specify) _____
b) Law
c) Medical (field) _____
d) Other (specify) _____

3. Including your present employment (include military service; exclude full-time graduate study), how many employers have you had since graduating from CEE with your MS and/or Ph.D. degree?

- a) 1-2 b) 3-4 c) 5-6 d) 7-8 e) 9 or more

4. Current position you hold: circle one

- a) Owner c) Principal e) Other (specify) _____
b) Partner d) Project Manager

5. Current Employment (Civil/Environmental Engineering): (If Non-Engineering or Env. Science, go to #6):

circle one

- | | |
|------------------------------------|--------------------------|
| a) Consulting | f) Local Government |
| b) Construction | g) State Government |
| c) Engineering Equipment Sales | h) Federal Government |
| d) Engineering Laboratory Services | i) Active Military |
| e) Education | j) Other (specify) _____ |

6. Current employment (Non-Engineering or Env. Science): (Answer only if #5 is not applicable): circle one

- | | |
|-------------------------------------|--------------------------|
| a) Legal | d) Medical (Field) _____ |
| b) Real Estate/Property Development | e) Other (specify) _____ |
| c) Financial Institution | |

7. What percentage of your time is devoted to:

- | | |
|---|---------|
| a) Engineering/Env. Science | _____ % |
| b) Management (in engineering/environmental science-related business) | _____ % |
| c) Management (in non-engineering/environmental science-related business) | _____ % |
| d) Other (specify) _____ | _____ % |

8. Are you currently seeking or do you plan to seek an advanced degree? circle one

- | | | |
|--------|----------|--------------------------|
| a) MS | c) Ph.D. | e) Other (specify) _____ |
| b) MBA | d) Law | |

9. Based on what you believe might be necessary to adequately practice engineering/environmental science into the 21st century, do you think a master's degree will be necessary? circle one

- | | | |
|-----------------------|--------------------|---------------|
| a) Vital | c) Somewhat useful | e) No opinion |
| b) Extremely valuable | d) Not necessary | |

10. Overall, how well do you feel you were prepared for your first job after graduate degree? circle one

- | | | |
|-------------------|-------------|---|
| a) Excellent | c) Adequate | e) Have not worked in environmental science |
| b) Extremely well | d) Barely | |

11. Based on your knowledge of the requirements of the engineering/environmental science profession, rate the overall quality of your graduate education? circle one
- a) Excellent c) Adequate e) Not adequate
b) Very good d) Marginal
12. If you have taken graduate courses in engineering/environmental science, how well did your graduate program prepare you? circle one
- a) Excellent c) Adequate e) Not adequate
b) Very well d) Marginal f) No graduate courses
13. Overall, how would you rate the faculty in CEE? circle one
- a) Excellent c) Adequate e) Needs considerable improvement
b) Very good d) Needs some improvement
14. Which avenues of life-long learning have you sought? circle one
- a) Graduate courses c) Continuing education courses e) None
b) Undergraduate courses d) Training courses
15. Based upon your personal life-long learning experiences in question #13, please indicate the importance you place on life-long learning. circle one
- a) Extremely important c) Important e) Not important
b) Very important d) Somewhat important
16. Look back at your graduate education at UC, on a scale of 1 to 10 (1-strongly disagree and 10-strongly agree), how will you answer the question: My graduate education prepared me well for the job market: _____

PRACTICE OUTSIDE USA

17. Have you practiced outside the USA? circle one a) Yes b) No
- If yes, please answer the following:
18. Number of countries in which you have practiced: circle one
- a) 1-2 b) 3-4 c) 5-6 d) 7-8 e) 9 or more
19. How well were you prepared to practice in other countries? circle one
- a) Excellent c) Adequately e) Not at all
b) Extremely well d) Barely
20. Please provide me your personal comments about the education you received at the University of Cincinnati (please attach a separate paper if needed):
- a) With 20/20 hindsight, what changes in your graduate program would have benefited you today?
- b) With less than 20/20 foresight, what changes in the graduate program would you recommend to help future graduates?
