

2008 NSF REU SITE PROJECT PRESENTATIONS

Date: August 14, 2007

Place: Engineering Research Center (ERC), Room 427 & Foyer

Time: 8:00 a.m. to 1:30 p.m.

1. **8:00 - 8:45 am:** Continental Breakfast & Viewing of the Posters
2. **8:45 - 9:00 am:** Meeting of Dr. Kukreti with the Judges.
3. **9:00 - 11:15 am:** Introduction of the Judges & Project Presentations:
 - (a) Project # 1: "Study of the Ductility and Deformation of High Strength in Tension" (9:00 – 9:25 am)
 - (b) Project # 2: "Measurement of Slip in Slip-Critical Connections with Different Specification Holes" (9:25 – 10:50 am)
 - (c) Project # 3: "Parametric Flexural Evaluation of Concrete Members Reinforced with High-Strength Reinforcement" (10:50 - `11:15 am)
4. **11:15 - 11:30 am:** Judges Convene to Select Project Winners
5. **11:30 - 11:45 am:** Award Ceremony
 - (a) Certificates Awarded to Each Participant
 - (i) Team 1 certificates to be awarded by Mr. James J. Wang
 - (ii) Team 2 certificates to be awarded by Dr. Duncan Paterson
 - (iii) Team 3 certificates to be awarded by Mr. Shayne Manning
 - (b) "Best Project Award" Announced and plaques given by Dr. Rassati
6. **11:45 am - 12:00 noon:** Closing Remarks and thanks by Dr. Kukreti
7. **12:00 noon - 1:30 pm:** Lunch and refreshments in Engineering Research Center Foyer

NOTE: Park in the Woodside Langsam Library Parking Garage and bring decal with you to be stamped. Thank you.
