

Graduate Student Mentors

Mr. Craig Schrader
REU Graduate Student Mentor

M.S. student
Structural Engineering
Department of Civil and Environmental Engineering
University of Cincinnati
Cincinnati, Ohio

Graduate Student Mentor for the REU research project on "Study of the Ductility and Deformation of High Strength in Tension."

Mr. Elie Hantouche
REU Graduate Student Mentor

Ph.D. student
Structural Engineering
Department of Civil and Environmental Engineering
University of Cincinnati
Cincinnati, Ohio

Graduate Student Mentor for the REU research project on "Measurement of Slip in Slip-Critical Connections with Different Specification Holes."

Ms. Elizabeth (Liz) Ward
REU Graduate Student Mentor

M.S. student
Structural Engineering
Department of Civil and Environmental Engineering
University of Cincinnati
Cincinnati, Ohio

Graduate Student Mentor for the REU research project on
"Parametric Flexural Evaluation of Conc
