

Homework 7
Polymer Processing

- 1.) Tadmor problem 7.9, pp. 238.

- 2.) Tadmor problem 7.10, pp. 238.

- 3) Write a class critique of from 2 sentences to as long as you can stomach. Please be as critical as possible. I will not look at these until after the grades have been submitted. Please put these on a separate sheet so I can keep these on file. Constructive criticism is the most useful.
